Marion County Committee for Ohio Library Named

The Marion County committee of the Marion County Cooper-Olema Library has been selected and will start its work immediately.

The committee, of which Miss Fanny K. Rasmussen is chairman, consists of Miss Helen Kirtland, Miss Louise Cunningham, Miss Helen Jones and R. P. Fancher.

The Ohio Library, to contain only books by Ohio authors or about Ohio and Olema, was first suggested in 1923 by Mrs. Mervin T. Cooper who made its beginning

possible. The library has been established in the Governor's mansion in Columbus.

Mrs. Dejeu Head of Columbus is chairman of the Ohio Library committee and has named chairmen in each Ohio county. The county committee work consists of gathering books in its territory who have published books or about whom books have been written.

Chapters of Marion and county have been asked to notify members of the committee if they have information of value in enlarging Marion county's contribution to the library.

The four purposes of establishing the Ohio Library, as outlined in the handbook are to stimulate the pride and to acquaint the public with the very large number of writers in all fields of writing and creative work who are from or of Ohio, to assemble this representative Ohioana collection in one place as a correlated unit, at present this place is in the governor's mansion, to give honor and recognition to those of the state who have contributed to the beauty of the culture and the education of the world through books, to prepare and maintain a permanent card catalogue at the governor's mansion and at the Ohio state library, listing all Ohio writers and important data about them and distinctive books about Ohio.

Books contributed will be catalogued, with a book plate bearing the donor's name placed in each book.

Father-Mother Meeting Will Be Held Friday Night

LA RUE, Oct. 24—The Parent-Teacher association met in the school auditorium Monday night. Mrs. E. J. Hafer presided for the business meeting. A report from the committee chairman for the father-mother banquet to be held Friday evening was given. Mrs. Wilbur Miller reported for the cooking committee and Mrs. J. C. Thuma for the dining room. Mrs. J. W. Campbell reported on membership while Miss Agnes Cooper, home economics instructor, made an appeal to the parents for any surplus fruit or vegetables they might contribute to the Red Cross for the feeding of undernourished children in the school. Mrs. Charles Gilkey announced Mrs. Theodore McEneaney and Mrs. Ralph Amstutz would arrange the program for next month's meeting. Mrs. Fred Cooper, program chairman took charge of the meeting. Singing was led by Mrs. Ella MacDonald of Lexington. Contents and games were enjoyed after which the Ladies' chorus, which was recently organized and sponsored by the P. T. A., made its first appearance. Mrs. E. H. Johnston of Marion will be the principal speaker at the banquet Friday night.

The Stars Say—

For Thursday, Oct. 25

A SURPRISINGLY small cross reign of planetary influences is found to hold sway on this day, accelerating, stimulating and enhancing all interests and promoting all activities to the goal of the cherished desires and ambitions. It is a time for pushing to the high mark of achievement and attainment in business, employment and purely personal channels, since it is difficult to see how anything should be amiss or any power frustrate the trend of progress and happiness.

Those whose birthday it is stand at the threshold of a year of signal achievements in the direction of treasured goals or careers, with progress, prosperity and happiness climaxed all efforts for attainment. It is a time for pushing toward high marks of success and personal gratification. A child born on this day should be joyfully endowed with all those attributes and talents making for smooth, prosperity and personal prestige and happiness in life.

Notable nativity: Edmund Thompson, author and actor "Old Hossford."

HAVE COLOR IN CHEEKS

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—eat away—soothe—try Olive Tablets.

Dr. Edwards Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 20 years of study.

Olive Tablets are a purely vegetable compound. Know them by their olive color.

To have a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause.

Dr. Edwards Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and help overcome constipation. Take nightly and note the pleasing results. Millions of boxes sold yearly. 15c, 30c, 60c.—Adv.

WILL CONTINUE HER FINE SERIES OF LECTURES ON THE BUYING PREPARATION AND SERVING OF FOODS

Come Early

See the dishes demonstrated on the stage. A few well-chosen modern devices combined with short-cuts in the preparation of food will greatly reduce the routine of cookery. Hear the lecturer answer your questions and your neighbor's questions on home-making problems.

As she works, she talks about the fine products and house-keeping problems. She will tell you the newest idea of table-setting for parties and home-entertaining. She will discuss the most recent models of labor-saving devices in her model kitchen.

Each session is a housekeeper's forum. Every woman is invited. No tickets are needed. Come early. The musical program starts a half-hour before the Cooking School begins.

STOMACH TROUBLES

HOW frequently we hear people complain of "indigestion." And how seldom there is actually anything wrong with the digestive organs!

What most people call indigestion is usually excess acid in the stomach. The food has soured. The instant remedy is an alkali to neutralize the acids. But don't use any crude helps. Use what most doctors would advise; use what your own doctor prescribes in his daily practice for just that condition.

The very best help is Phillips' Milk of Magnesia. You will find nothing else so quick in effect, so harmless, so efficient. One tasteless spoonful in water neutralizes many times its volume in acid. Results are immediate, with no harmful after-effects to follow.

harmful after-effects to follow from relief.

This pleasant way to alkalize your system is so much better—so much quicker—than attempting to accomplish the same thing by a diet. But you cannot do this with any form of magnesia. Phillips' Milk of Magnesia is the formula. It is the one preparation that gives you magnesia in perfect suspension. It is alkaline, its action is thorough, and there is nothing more soothing to an ailing stomach or more helpful to sluggish bowels. Druggists have Phillips' Milk of Magnesia in 2c and 50c bottles.

The best way to whiten teeth is with Phillips' Dental Magnesia—the same dentifrice. Try it and see for yourself how white your teeth become. At drug stores everywhere.

Ax Likely To Fall on Several Major League Managers

BROOKLYN, DETROIT EXPECTED TO SHIFT PILOTS BEFORE 1932

Results Are Wanted and Neither Robinson Nor Harris Are Getting Them.

BY HERBERT W. BARKER
Associated Press Sports Writer

NEW YORK, Oct. 14.—The open season on major league managers already has opened two victims and the baseball world will be mildly astonished if one or two more do not fall before the autumn fire of sharp-tongued managers.

Double Dutch, a fiery veteran, has been cut loose from the Chicago White Sox and succeeded by Lee Foy, a quiet, steady player. The Pittsburgh Pirates, after casting Jewel E. Egan, are looking for a new pilot.

Deposited after a careful survey of the situation, Iowa for the next managerial shift to come from Detroit and possibly Brooklyn. And there seems to be some grounds for supposing that a change may be made in one camp or the other, if not in both.

Harris May Lose Job

Stanley (Bucky) Harris, who piloted the Washington Senators to American league pennants in 1925 and 1926, has just finished his most disappointing season with the Detroit Tigers. Starting out the season with bright prospects, the Tigers, crippled for months by injuries, finished the season in seventh place, trailed only by the White Sox.

Crack writers, in the main, ask for results and if they don't get them with one manager they try another. No definite word has come from Detroit in regard to Harris' present status but it is understood Frank Rea, the owner, has not decided whether to keep Harris or to replace him. Harris may be retained in 1933.

The Brooklyn situation is a bit more involved. Baseball writers have been hiring a new manager for the Robins for years but Wilbert Robinson always turns up at the helm when the season starts.

With an opening at Pittsburgh and possible jobs at Detroit or Brooklyn, considerable interest was aroused by announcement of the resignation, apparently without cause, of Rick Williams, who has just finished the San Francisco Seals into a Pacific coast league pennant. Williams, in his 10 years with the Seals as coach and manager, has made a reputation as developer of young players. He may land in the big leagues.

The job at Pittsburgh is understood to be waiting, however, for George Gibson, a former pilot of the Pirates.

Almost simultaneously with Williams' resignation came the news that Allan Rothman, former big league pitcher, had quit as manager at Louisville. Later in the day, however, Rothman signed as coach with the St. Louis Browns where Bill Killefer is manager.

Rife matches for the championship of southwestern Missouri will become annual events under a plan recently sponsored by Omaha enthusiasts.

COUNTY CAGE LOOP TO OPEN ON NOV. 20

Meeker and Agosta Added to Schedule for Year, Making 12 Competitors.

The basketball program for Marion county schools in the coming season will be conducted along nearly the same lines as the competition of last season. The complete schedule of games for the 12 county teams has been released by County Superintendent of Schools C. B. Rayburn. Only games scheduled at present will be allowed except by specific consent of the county office. Each team will play 11 games. Both boys and girls will compete.

The season will open on Nov. 20 and continue until Feb. 12 after which a county championship tournament will be conducted in the auditorium of The Star. The county league will be divided this year as last into the Eastern and Western divisions. Some additions have been made in the districts the coming season. Two new teams have been added, Meeker and Agosta. Both will compete in the Western district.

The list of county teams this year and the district in which they will compete is as follows: Eastern, Caledonia, Claridon, Martel, Pleasant; Western, Meeker, Agosta, Green Camp, LaRue, Prospect, Meeker and Morral, Kirkpatrick, High School boys will defend the county championship crown this year as well as the title of the Eastern district. In the Western district Morral boys will defend the title. Prospect girls will defend the title in the Western district next season while Claridon will attempt to repeat in the Eastern half. Prospect won the title in a playoff last season after finishing the regular season in a deadlock with Pleasant and Morral. Claridon won the East half title without dispute.

The schedule for the county is as follows:

EASTERN DISTRICT

Nov. 20: Caledonia at Claridon; Waldo at Pleasant; Kirkpatrick at Martel. Dec. 4: Martel at Caledonia; Pleasant at Claridon; Waldo at Kirkpatrick. Dec. 11: Claridon at Pleasant; Kirkpatrick at Waldo; Martel at Caledonia.

GAME MOVED UP

The annual football game between Findlay and Harding High has been advanced to Friday afternoon of this week instead of Saturday. The game is called for 2:30 p. m. in Donnell Memorial stadium at Findlay.

One other game will be played Friday in which N. C. O. teams will figure. Bucyrus and Ashland will stage their annual get-together on the Bucyrus grounds at this day. Gallon and Shelby will play Saturday and Mansfield has an open date this week.

BUCKEYES, BADGERS IN GOOD POSITION TO UPSET BIG 10 RACE

Ohio Tackles Michigan, Wisconsin Meets Purdue: Results May Aid Purple.

BY PAUL NICKELSON
By The Associated Press

CHICAGO, Oct. 14.—Wisconsin and Ohio State may put the Big Ten football championship for 1933 squarely towards the eager arms of Northwestern's Wildcats Saturday.

Rated as "Under dogs" of the most dangerous variety, they tackle Northwestern's greatest rival for the title Saturday with just the "all to win and nothing to lose" spirit that delivers upsets in football. Wisconsin battles its old foe, Purdue, while Ohio State engages Michigan, a team it would win, rather topple than win the championship.

Purdue Faces Fight

Between the two contenders, Purdue appeared to be in for the toughest fight. Smoldering under the criticism they received for their lack of showing against Little Auburn last week, the Badgers were in a dangerous mood. Furthermore, Purdue upset their championship hopes with a tie in 1932 and these wounds haven't healed or been forgotten. Anyway, the Boilermakers weren't very impressive in winning against Illinois' sophomores last week.

The tussle between the Badgers and Boilermakers promised to result in an aerial display with the Boilermakers doing most of the pecking. Coach Noble Kiser was drilling his players on the finer points of the aerial attack while Coach Glen Thielstrom threw up a defense for the attack and polish up a smoother running attack.

Despite its defeat by Vanderbilt's Commodores last week, Ohio State was encouraged by its whirlwind finish, which almost overtook the southerners. Coach Sam Williamson's regular drilled overruns on defense and the pecking team, equipped with Michigan plays, failed to get anywhere.

Stung Strapped Offense

Meanwhile the old master of Chicago football, Coach Amos Alonzo Stagg, was brewing an offense with which he expects to make his team invade his camp Saturday. Rattled with his team's fine defense against Michigan, Coach Stagg gave his players three new plays last week to weave around his celebrated blocker combination.

With his eyes fixed on the Ohio State game, October 24, Coach Dick Hanley of Northwestern seemed up on his Wildcats. Coach Hanley didn't fear the Los Angeles branch of the University of California so much Saturday as he did that his regulars may be incapacitated by scrimmage injuries before the Ohio State battle.

Indiana was looking for a scoring punch to use against Iowa while the Hawks, back from their licking in Texas, were making wholesale alterations in their line. Coach Bob Zuppke of Illinois also was making changes in his team, mostly in the line.

Ohio Focuses Drive

If Ohio State follows its natural art, its smashing halfback, Lew Rindick, Stuart Holcomb, Bill Carroll and Tommy Keefe, will charge the Michigan ends and tackle, and mighty Mike Vuch-

litch will rap the center of the line to contest Michigan's force, a forward passing barrage by Harry Newman.

In 27 times Ohio and Michigan have met in football since 1897. The Wolverines have won 20 times and there were two ties. In 13 times they have faced each other since Ohio became a Big Ten member, Michigan has won eight games and Ohio five.

Michigan never has beaten by an Ohio State team until the fall of 1919 when Chick Harley was putting the finishing touches on a football career which still ranks No. 1 in the minds of Ohio State fans. Ohio beat Michigan, 13 to 0, and Harley ran 42 yards for one of the touchdowns.

Ohio Won in 1920

Ohio State won again in 1920, 14 to 6. The Bucks had the greatest forward passing combination in the country that year, Harry Workman the passer and Pete Stuchcomb the all-American receiver. In 1921, a well proportioned Ohio team beat Michigan, 14 to 6.

In recent years Ohio has beaten Michigan twice and Wesley Foster, the most clever of the Buckeye ends, helped with both games. Foster was just gaining prominence in 1928 when Ohio beat Michigan, 19 to 7, a pass from Allan Holman to Foster brought the first touchdown. It was a difficult catch that only a fine player could have made. Another Holman to Foster pass brought the only touchdown in Ohio's 7 to 0 victory over Michigan in 1929.

Michigan won in 1930, 13 to 0, and then went on to share the conference championship with Northwestern.

Cadets Confident of Taking Crimson

When on Oct. 17, the army Mule went red in the form of the Harvard grid warriors, one can be sure that a historic battle will be the outcome. The West Pointers have gotten away to a flying start this year and Coach Major Stone is confident that his boys can defeat the Crimson griders. Last season the Cadets won a 6-0 decision over Harvard and with such stars as Ken Fields and Robert Carver twinkling more brightly than ever, Captain Jack Prince is confident that the well-known mule will gallop off with the laurels. However, the Crimson coach, Eddie Casey, also has an abundance of confidence which one is inclined to believe justified when one considers that Captain Barry Wood is so nervous when it comes to doing things with a pigskin. Harvard also has shown strength in the first down and may surprise the West Pointers. May the best team win.

Ohio Must Beat Michigan To Be Contender for Title

BY RALPH TEATON
United Press Staff Correspondent

COLUMBUS, O., Oct. 14.—The lion of accomplishment and the wolf of defeat were pawing at the door of the Ohio State football locker-room today as the Buckeye athletes prepared for the twentieth game with the University of Michigan.

In order to be a contender for the western conference title, Ohio State must beat Michigan Saturday, at Ann Arbor. It will be Ohio's first conference game and one of the two hardest on the schedule.

Football critics have been put to an embarrassing test in picking the winner of the traditional game. Neither Ohio State to its loss to Vanderbilt, nor Michigan in its victory over Chicago looked satisfactory last week. Yet Ohio showed a fine running attack and Michigan displayed power in its overhead game.

DETAILS WORKED OUT FOR SERVICE BATTLE IN NEW YORK DEC. 12

Former Colorful Setting To Be Revived at Army-Navy Game.

By The Associated Press
NEW YORK, Oct. 14.—Details for the 1931 charity game between Army and Navy are being settled, the new order of the service football classic promises to become almost as permanent as the old one.

Although the two institutions will disagree on officially requirements, they have decided to bring back all the colorful details of the old Army-Navy game and are, perhaps, in a more receptive frame of mind concerning the suggestion that they play next year in Chicago in connection with the centennial exposition.

A meeting of officials at Philadelphia yesterday settled upon the Yankee stadium, New York, the scene of last year's renewal of hostilities, as the place where this year's game will be played. Dec. 12, set the admission price at \$3 for box seats and \$1 for stand seats, and what is perhaps more important, agreed that "all the glamour and color of the earlier Army-Navy games will be present. The time for this game was set yesterday at 1 o'clock (Chicago time) and the Cadets and Midshipmen will begin their march into the ball park promptly at noon.

Tex Carleton, heady pitching star of the Houston Buffaloes in the Texas league, applied to play football when he was in a Fort Worth high school.

Railroad Activities

A total of 736,099 freight cars were loaded on railroads in the United States during the week ending Sept. 28, according to a report made to the committee on public relations of the eastern railroads by the car service division of the American Railway Association and published in the committee's publication Railroad Data.

The total shows a decrease of 4,599 from the preceding week and a reduction of 212,634 cars below the corresponding week last year.

It also showed a reduction of 445,110 cars from the same week in 1928.

Grain and grain products for the week ended Sept. 28 accounted for the loading of 36,963 cars, or 5.02 per cent of the total, below that of the preceding week. This figure is 6,067 cars under the same week last year, and 12,046 cars below the corresponding week in 1928.

Less than carload lots totaled 216,618 cars, a decrease of 1,063 cars below the week before and 37,940 cars below the same week last year. It also was 54,675 cars below the corresponding week a year ago in 1928.

The loading of revenue freight for the first nine months of 1929 totaled 28,565,988 showing a general decrease from last year's figure for the corresponding period. This total was 35,153,701 cars in 1928 during the first nine months and loadings totaled 38,820,026 cars.

The 20-year service record of H. C. Paddock, of South Prospect street, as an employee of the Chesapeake & Ohio railway has brought him another source of pride as a photograph of six veterans who received diamond service pins of whom Mr. Paddock was one at a meeting at Huntington W. Va. of the Veterans Employees association appears in the October issue of the Chesapeake & Ohio magazine. This publication is circulated over the entire system. Mr. Paddock is a car service clerk in the Chesapeake & Ohio freight office here.

A story of the meeting occupies two full pages of the issue with four accompanying illustrations of events during the session. An idea of the size of the meeting is to be obtained from a photograph of a luncheon with row after row of tables filled by employees with at least 25 years of service with the road. More than 1,200 members attended the meeting.

Variety Profitable.

By the diversified farms—The state department of agriculture has found says L. S. Guthery, the director that farms having several sources of income are uniformly more profitable than the same sized farms where only one main activity is carried out.

An anchor rope guide block for small boats has been invented that automatically grips the rope to hold the anchor at any height desired whenever a person using it releases his grasp on the rope.

ROTARIANS VISIT NEW HIGH SCHOOL

Members of the Rotary club were guests of James E. Frew, principal of the building on a tour of the new Junior High school building at Oakland Heights following the regular weekly luncheon meeting at the Hotel Harding yesterday noon.

Rev. Father W. J. Spickard, of St. Mary's church and Hoover Brown, were guests of individual members at the luncheon.

Canby Lodge Meets.

Announcement of a meeting of the Marion County Post Chapter of the association Friday night was made at a meeting of Canby Lodge No. 51 Knights of Pythias, last night in the lodge hall. One application for membership was received and one application was voted on. A class of candidates will be initiated at a meeting Oct. 27. The lodge will meet Oct. 29.

To Mothers whose children won't eat

NATURE knows best. Never coax a child to eat! Remove the cause of a youngster's poor appetite. When appetite fails, tongue is coated white, eyes are a bluish yellow, don't give small children a constipating cathartic that drains the system. California fig syrup is all the "medicine" they require.

The Child's Appetite Will Always Respond

Specialists will tell you that a sluggish appetite almost always means the child has a sluggish colon. Correct this condition called stasis, and see how quickly a listless, drooping boy or girl begins to eat—and gain! The only "medicine" such children seem to need is pure, unadulterated fig syrup.

Children who get fig syrup, now and then, soon have the appetite and energy of young animals! They keep well and avoid colds and sluggish spells.

Nature never made a finer laxative for children; and they all love the wholesome, fruity flavor of the real California fig syrup. It's purely vegetable, but every druggist has it all bottled, with directions. Begin with it at once. The very next day, your child will be eating better and feeling better. Keep on with the fig syrup a few days and see amazing improvement in appetite, color, weight, and spirits.

A single 5¢

The promises made by the bottles of California Fig Syrup are true, and it will do the same for you, if it's genuine CALIFORNIA Fig Syrup. Don't accept substitutes.

MARION MEN ATTEND WAR VETS' REUNION

Congressman Mouser Shares Program with Supreme Court Judge.

Congressman Grant E. Mouser Jr., of Marion, and Judge Edward S. Mathias, of the supreme court, were speakers at the annual reunion of the Second Regiment, Ohio Volunteer Infantry, Spanish War Veterans, held at North Baltimore yesterday. Ten members of the regiment of this city attended the reunion.

A parade nearly a mile in length, a dinner at noon and a program in the afternoon, were

features of the gathering. Three hundred and sixty-five of the 1,272 who marched away 33 years ago, were registered at the meeting. The reunion was attended by more than a thousand, including veterans and their families. The 1932 reunion will be held at Paulding on the second Tuesday in October.

GIVES REPORT ON SCHOOL OF MISSIONS

Two illustrated talks were presented at a meeting of the Catherine Woods auxiliary of First Presbyterian church, last night, with Miss Beattie Snyder at the church. Miss Snyder who was a delegate to the school of missions at Wooster college this spring, gave her report, adding to its interest with slides.

An illustrated talk on Wooster college was given by Miss Edna Surface, a graduate of last spring who was later enrolled as a member of the auxiliary. Mrs. Harry Evans gave a report on a recent presbyterial meeting. Miss Helen Hutchinson led the devotions. A social hour and refreshments were

enjoyed. The auxiliary will meet Oct. 7 with Mrs. Katherine Smith of south Main street.

500 REGISTER AS MARION ELECTORS

Total Voters in City Boosted to 12,500; 400 Transfer Permits.

Five hundred persons had registered and another 400 had transferred their registrations when the deadline for registering was reached last midnight, election board officials estimated today.

Approximately 400 persons have registered since Saturday, when the rush began. Before that time, 100 had registered. New registrations increase the city total registration to approximately 12,500.

Marion residents who put off registering until the last day kept the election board office in the Marion Building, Savings & Loan Co. building open until 11:30 p. m. yesterday. Clerk Bud H. Lawson,

Deputy Clerk C. G. Ritter, and four assistants were kept busy handling registrations and transfers.

When midnight passed, Marionites whose names are not properly registered with the board of elections lost their last opportunity to qualify themselves for the Nov. 4 election.

A final count of registrations and transfers was being made by election board officials and assistants today.

Flashes of Life

NEW YORK—Mary Garden doesn't trust critics to tell her whether she is a great actress. She is waiting to see what a screen test shows. "It is through the music that I create a part," she says. "People of no understanding, however, tell me that I am primarily an actress. Time—and the screen test—will tell."

NEW YORK—The student parade at Columbia university who have been clamoring for better English among the faculty thought they had one on Dr. Nicholas Murray Butler, president of the university, when they found a sentence in one of his speeches with a collective noun and a singular verb. Frank H. Vizetelly, book reviewer, told them Dr. Butler was right. Then Mr. Vizetelly pointed out an error in the sentence the students had overlooked altogether.

PUNTA GORDA, Fla.—Tarpon wins by a knockout! Jim Lanier, professional fisherman, was hauling in a net when a huge tarpon which had been caught leaped over the side of the net and knocked the fisherman unconscious. Other fishermen rescued him while the tarpon went about his business.

2 MEN SENTENCED ON THEFT CHARGE

KENTON, Oct. 14 — Cliff and Frank Osborne, brothers, were taken before Judge Hamilton E. Hoge to receive sentences for burglary and larceny following the return of a verdict of guilty by a petit jury recently.

Frank Osborne, farmer of northwest of Kenton, was given an indeterminate term of not less than one year in Ohio penitentiary. Cliff Osborne of Shelby was placed on two years' probation. The two were arrested by Sheriff Enaley, who found them at the Fred Overly farm, northwest of Kenton, Sept. 26, as they were about to leave with 22 chickens belonging to Oberly.

Rotary Governor Talks

BUCKYRUS, Oct. 14—Fred M. Hopkins, governor of the twenty-first district, Rotary International, and newspaper man, was the speaker at the Buckyrus Rotary club's luncheon Tuesday noon.

6TH GRADE PUPILS IN P.-T. A. PROGRAM

Silver Street School Organization Meets at Building.

A program by the pupils of the sixth grade was a feature of the meeting of the Silver Street Parent-Teachers' association yesterday afternoon at the school building. Mrs. Roy Leonard presided for a short business session during which Mrs. George Eysa, Mrs. Gertrude Hickman and Miss Agnes Lutz were named to serve on a welfare committee. Members of the committee attended the welfare meeting held at the Y. M. C. A. last night.

The program opened with a song, "America," and a costume play, "The Children of Japan" was given by the pupils. Annabel Halley gave a reading, "Halloween," and members of the council contributed a song. A dialogue, "Fire Prevention," was given by the sixth grade pupils and a piano solo, "Flight the Flame," was played by Dorothy Stephenson. "A Colorful Carnival," was the title of a recitation by Wilbur Alexander and the sixth grade pupils presented a dialogue, "A Surprise." A vocal solo, "My Tribute," was sung by Mrs. Roy Heiber with the piano accompaniment played by Wanda Baldwin. Pupils of the second grade taught by Miss Ima Morby was presented the banner for having the largest number of parents in attendance. The next meeting will be Nov. 10.

LOCK MISSING

Chicken Thieves Raid Farms in Vicinity of Heppburn.

KENTON, Oct. 14 — Chicken thieves have been very busy in and near Heppburn the last week. Entering the henhouse of Dave Shuster by prying off boards and then stealing the lock, they finished a flock of about 50, having made a raid on the same coop the previous week.

The same week they visited the chicken coop of R. C. Clement but in their haste they left one bag containing six hens lying on the ground.

SCHOOL BOYS 'T RETURN HOME

Agriculture Graduates Go to Teaching, O. S. U. Reports.

The Associated Press, O., Oct. 16—Appar- is no such thing as a dead-end movement so far as the Ohio State uni- school of agriculture are concerned. As it may seem, only third of the men who "go rural" at the university go to the farms after graduation. The rest, it was pointed out, are going to teach. "The war," it was pointed out, "nearly all the agricul- turalists went back to the farm. Now two-thirds of them are going to the high schools, colleges, or finding employment in research and sales departments of the big fertilizer and seed companies."

\$1,000 STATED IN SALARY CASES

Work of writing the checks in the quarterly settlement of assignment cases in municipal court has been completed and the checks are now ready for distribution, it was announced today by Miss Mary Kelleher, assignment trustee.

More than \$1,000 was distributed by the court for the three months and represents money paid in by debtors on whose wages assignments have been made. The system replaces the old garnishment method used by creditors previous to the establishing of the municipal court.

A certain percent is taken from the debtors wages each pay and at the end of the three-month period, the money is proportioned among his creditors. While the amount of money distributed varies each quarter, according to Miss Kelleher, the amount for any individual varies little from the same quarter in previous years. More than six hundred checks were written in distributing the money this quarter.

Idle Land Increases.

By The Associated Press, COLUMBUS, O., Oct. 16—Idle crop land in Ohio is on the increase. The state department of agriculture has reported that there now are 936,500 acres of idle land in the state, against 705,400 in 1925.

Nursery Is "Howling" Success Until Kiddies Are Acclimated

The nursery which is a part of The Star cooking school in session each afternoon through Friday, was a "howling" success until Friday had turned to confidence, and the misery of being parted from mother was overshadowed by the delight in the new games and the other playmates.

Ninety children, the most ever left in the nursery on the opening day of cooking school, were greeted with smiles and kind words by Mrs. Beatrice Secord, in charge, and her corps of assistants.

The younger babies were segregated from the older children, and the baby room was a delight to see. Some of the children were lying peacefully in their baskets, content with their thumbs or bottles, and many were fast asleep. The girls delegated to watch over the baby room were busy all afternoon with some of the babies who wouldn't be quiet unless they were held.

The baby room was an airy, attractive room, with unbreakable toys and baskets for those who were sleepy.

Calm rapidly settled over the older children's room as doubtful eyes fell on table after table of peg boards, colored sticks, blocks and pictures. Mrs. Secord supervised activities in this room.

The walls were lined with gay, interesting pictures to catch the eye and hold the interest, and eight low tables, with six small chairs at each, were grouped around the room.

Picture books, dolls, toys, blocks, everything for kiddies filled the room.

Later in the afternoon, each child was given a half-pint of milk with a straw, and a graham cracker, and if they wanted it, an apple, to climax their afternoon in the nursery.

Held to Grand Jury.

Sherman Brown, 35, of Fulton, was bound over to the grand jury under \$200 bond by Municipal Judge W. R. Martin yesterday afternoon when he pleaded guilty to a charge of converting mortgaged property to his own use. Unable to furnish bond, he was taken to the county jail. According to F. C. Kimball, sales representative of the Haberman Chevrolet Co., who filed the affidavit causing his arrest, Brown on Aug. 23 removed from the county and converted to his own use, an automobile on which the Haberman Co. held a mortgage. He was arrested in Mt. Gilead Monday night.

Meeker School District To Vote on State Aid

Electors Will Get Ballot at November Election, Proposal
Will Raise Tax Rate, but Will Give Schools Assistance Under State Equalization Plan.

Whether Meeker school district will be the least amount of taxable wealth behind each student of any school district in the county will be decided by the voters at the November election. The state aid to schools is a plan for Meeker district voters to favor the district's participation in the state equalization fund for education the superintendent pointed out that without

quality for state aid next year the voters must ask for state aid by so marking their ballots, which automatically creates a special levy of 1.35 mills to increase the rate in the district to eight mills.

The district this year has received \$5,507 in state aid for school operating purposes and has a possibility of obtaining a small additional amount before the end of the year should the voters fail to favor state aid and the subsequent district levy of 1.35 mills, this state aid will be taken away from the district next year. Superintendent pointed out.

Through a plan worked out this year the state equalization fund helps poor school districts or those which have less than \$3,000 of taxable wealth behind each student in school providing the district takes active steps to help it self. The district must have a minimum levy of eight mills for school purposes to qualify for state aid.

A two mill levy for school purposes in the Montgomery township rural or Meeker school district expired this year dropping the levy in the district to 6.65 mills. To

at Tea at Mrs. Ray King Home

THE home of Mrs. Ray R. King on Mt. Vernon avenue afforded an attractive setting for a tea arranged for the pleasure of delegates and visitors attending the Central District conference, Ohio Federation of Women's clubs, yesterday afternoon at 4 o'clock. More than 150 guests were received by Mrs. King, Mrs. Harold K. Mouser, president of the county federation of women's clubs and Miss Olga Morganthaler, president of the Woman's Century club of which the hostess is a member.

Mrs. Hoover Brown and Mrs. Dick Brown presided at the tea table and the guests were invited to the dining room by Mrs. Carl W. Laffler. Assisting in the dining room were Miss Amy Turner, Mrs. Ernest C. Carl, Mrs. Ray Gatewood, Mrs. T. E. Sommanthine, Mrs. Hector S. Young and Mrs. Jay Malah, members of the Women's Century club and Miss Mary Williams.

A musical program presented by a string ensemble composed of Miss Clara Laffler and C. E. Heffley, violin, Irey Hall, cello, and T. R. Evans, viola, entertained the guests during the tea.

Wife Awake Club

Mrs. Harold Lauer was hostess to members of the Wife Awake club yesterday afternoon at her home on Summit street. Four tables were filled for point eche, honors going to Mrs. James Peacock, Mrs. Albert Peacock and Mrs. Harold Lauer. The club will meet in two weeks with Mrs. John Maloney of Belmont street.

Altruistic Club

Mrs. C. G. Francis, president of the Altruistic club, entertained the members at the first meeting of the month Monday afternoon at her home on Kensington place. Vacation echoes were given in response to roll call and Mrs. Francis, a gold star mother, gave an interesting talk on her trip to the battlefields of France last summer. The members endorsed the candidacy of Dr. Josephine L. Pollock of Lima, former

president of the state federation, for the office of second vice president of the General Federation of Women's clubs. The club will meet in two weeks with Mrs. Charles Salder of Johnson street.

Miss Schweinfurth

Miss Wanda Curtis won the first award in bridge at a meeting of the Our Gang club last evening with Miss Selma Schweinfurth of south Grand avenue. Mrs. Harry Hiler won the second award.

Miss Irene Epler and Miss Lois Weaver

were entertained as guests. The home was decorated with a variety of fall flowers, with the shades of yellow and orange predominating. The two colors were used in the favors for lunch. Miss Curtis will entertain Oct. 27 at her home at 581 east Center street.

Shower Compliments

Miss Greenleaf

Miss Leona Greenleaf whose marriage to Delmas Redding will take place Oct. 22 was complimented with a shower last evening when Mrs. Ray Gatewood and Miss Marian Wheeler entertained at the Baldwin home on Monroe street. Tables were arranged for cocktail honors going to Miss Marion Dale Greenleaf and Mrs. E. L. Redding. Miss Greenleaf's bridal dress of pink and green predominated in the appointments for a

luncheon and the table was centered with a bride and groom. The honor guest was presented a grocery shower, the gifts being arranged in a grocery basket of pink and green. Guests included Miss Greenleaf, Mrs. Lillbert Thruash, Mrs. Thomas Greenleaf, Mrs. F. H. Marshman, Mrs. Elmer Pennington, Mrs. Charles Tanner, Mrs. Earl Thatcher, Mrs. Stanley Wideman, Mrs. J. W. Musical Program Brings Guest

Artists Here for Club Meeting

A MUSICAL program which brought to the city two delightful artists, Miss Millie Allen, pianist of Cleveland and New York City and Ray McClintock, tenor of New York City, featured last evening's session of the Central district conference of the Ohio Federation of Women's clubs, at the First Presbyterian church.

The program was presented under joint auspices of the Marion County Federation of Women's clubs and the Lecture-Racial club. Mrs. R. O. Brester of this city was heard in three organ numbers, completing the program and Mr. McClintock's accompaniments were played by Mrs. Harold K. Mouser.

Miss Allen's playing revealed tones of remarkable beauty and technique and her selections, which were presented in two groups, won instant favor with the audience. Lovers of Chopin particularly enjoyed her presentation of "Nocturne," Op. 42, No. 1, played in her first group and her second group included Liszt's "Reveries of Eve."

DELEGATES REPORT

AT CIRCLE MEETING

Mrs. Edward Thibaut and Mrs. Fred Holden, delegates to a recent King's Daughters meeting in Fremont, gave their reports at a meeting of the In-His-Honor Ladies of Night with Mrs. E. E. Laffler of Haver avenue. Mrs. S. G. Bomolter was the acting hostess.

Mrs. Harry Smith opened the meeting with devotions, followed by a Bible study by Mrs. J. Fred Clagett. The circle will give Maple Crest, the King's Daughters home at Bucyrus, a fruit shower on Oct. 22. On Oct. 21 a work meeting will be held with Mrs. Walter Dorsey of south Vine street and on Nov. 10 a social meeting will be held with Mrs. D. O. Drake of Hano avenue. Refreshments were served by the hostess.

Circle Plans Dinner.

Plans were made for a potluck dinner Oct. 27 at the meeting of the Ladies of Night Circle No. 85, corner of the Labor Union hall. Guests on this date will be Mrs. Dora Scheil, department president, and Mrs. Cora Riser, department inspector of Columbus. The annual inspection will be held during the business session.

Club Opens Season.

FOREST, Oct. 14.—The Scotch Night club opened its season Monday evening with a 4 o'clock dinner at the home of Mrs. William A. Mastrotto. The regular business and literary meeting followed the dinner and the remainder of the evening was given to bridge. Mrs. Leroy Snider won the prize for high score. The club is studying "The Glories of America" this year. Assisting hostesses were Mrs. Ralph Liles and Mrs. Harry Spoon.

Central District Club Women
Indorse Ohio Welfare Program

and "Law Observance" by Mrs. D. C. Bryant of Columbus, state legislative chairman and Mrs. Carrington D. Marshall also of Columbus, district committeewoman, were features of yesterday afternoon's session of the conference. Indorsement of the state welfare program was made following a talk by Mr. Burton W. Jones of Troy, vice president of the state organization at the luncheon yesterday at noon.

Speaks on Prohibition

"Prohibition is a moral issue upon which every one should take a stand," declared Mrs. Bryant in her presentation of pertinent facts regarding legislation. She urged the women to be thoroughly informed on the facts regarding prohibition and the Eighteenth amendment in order to be prepared to meet the propaganda against it. "We believe no conscientious citizen in Ohio wants to see his state nullify the constitution of the United States," she said. Mrs. Bryant deplored the failure of the sterilization bill to pass the state legislature and declared that if the women of the state would concentrate their effort on this bill they did on the marriage bill recently passed it would pass the next legislature.

"Our present laxity of law observance exists because a majority of the people are passively indifferent or opposed to the law," Mrs. Marshall stated in her discussion of "Law Observance." She declared that the three million club women of the nation were a mighty force in any moral issue and urged them to get behind any move which would tend to better conditions along this line. "Laxity of law," she said, "reflects on the home and women of today."

The present so-called freedom existing among our young people to day is a reflection of the heritage which has fallen to them in the form of autos, movies and other modern entertainment instead of inculcating in them the beauties of nature. Individual thinking is created a custom which is stronger than law," Mrs. Marshall stated.

Mrs. W. K. Swartz

Mrs. W. K. Swartz of Portsmouth, state president, discussed activities of interest to the clubwomen throughout the state including the essay contest and the observance of the bi-centennial observance honoring George Washington next year. In her message she urged the club women to aid in caring for the unemployment situation and cited the keeping of youth in school, allowing the adults to secure jobs whenever possible, as one of many ways of assisting the unemployed. She also urged an understanding of the Root protocol and advised the women to write their representatives in the legislature regarding measures up for discussion and passage. She recommended the support of the candidates with the highest principles and advised the women to set aside party prejudices in voting for city and county offices.

Mrs. Snyder emphasized the individual responsibility of citizenship and declared that the ballot should be considered a civic duty. She urged the presentation of at least one program on citizenship during the club year and stressed the importance of taking part in the law.

The afternoon program

opened with an organ prelude by Mrs. Harry T. Williams, and the invocation by the pastor of the church Rev. Howard L. Olevier. The delegates and visitors were welcomed by Mrs. Harold K. Mouser, president of the Marion County Federation of Women's clubs.

W. C. T. U. Meets.

Mrs. Bertha Barkley presided for the program hour at the meeting of Florence Richards W. C. T. U. yesterday afternoon at the home of Mrs. Lloyd McClintock of Latourette street. Mrs. Lydia Collins presided for the devotional service. During the business session it was planned to meet at the home of Mrs. Frank Ringle of Park boulevard Friday to make doughnuts. Topics discussed in the program session were "National Leaders of the Women's National Conference of Federated Churches," "Foreign Missions" and National Council of P. T. A." The next meeting will be Nov. 10 with Mrs. Alice Parr of 223 Latourette street.

en's clubs and the response was made by Mrs. D. O. Thompson of Coshocton, Miss Helen Stieber and Mrs. George Deuman of Upper Sandusky sang "Song of Love" from "Blossom Time" and responded to an encore.

Plant Tree

Following the afternoon program officers, delegates and visitors went to the Harding memorial where a tree was planted in the grounds to the west of the highway, in celebration of the birth of George Washington. The tree, a red oak, was presented by Mrs. Carroll D. Conard who placed the first ground around it and it was accepted by Mrs. Alfred Donithen, district conservation chairman.

A bottle containing a note with the following words was placed in the ground at the root of the tree: "To whom it may concern: This tree has been planted on the 13th day of October, 1931 by the Central District of the Ohio Federation of Women's clubs as a living memorial to the father of our country, George Washington. Done in the second year of the presidency of Mrs. C. D. Conard at the annual central district conference of the Ohio Federation of Women's clubs convening in Sharon, Ohio. Signed Ruth Pitkin Conard, president."

In presenting the tree she said in part: "We gather here today on the Harding Memorial grounds to do honor to George Washington who dreamed of glory for his native land, of liberty and tolerance and who with fires so burned that other men began to dream and dreams became reality. America has chosen to honor George Washington by planting 100,000 trees."
